

# Purple Hoodie Idea

---

Get a purple hoodie  
No zipper, pockets in center that join hands  
Fabric should feel a little bit rough

Probably #7c5295 is best

Then sew a 'plus' symbol  
Two overlapping perpendicular strips of canvas  
Canvas has [motif 1](#) drawn on it  
With just the shortest sides sewn into the hoodie  
White or black threading  
Overlapping in such a way that long sides are 'loose'
